

Blissful Careers

CLARE MARIE CARROLL - DATA VIS 2017

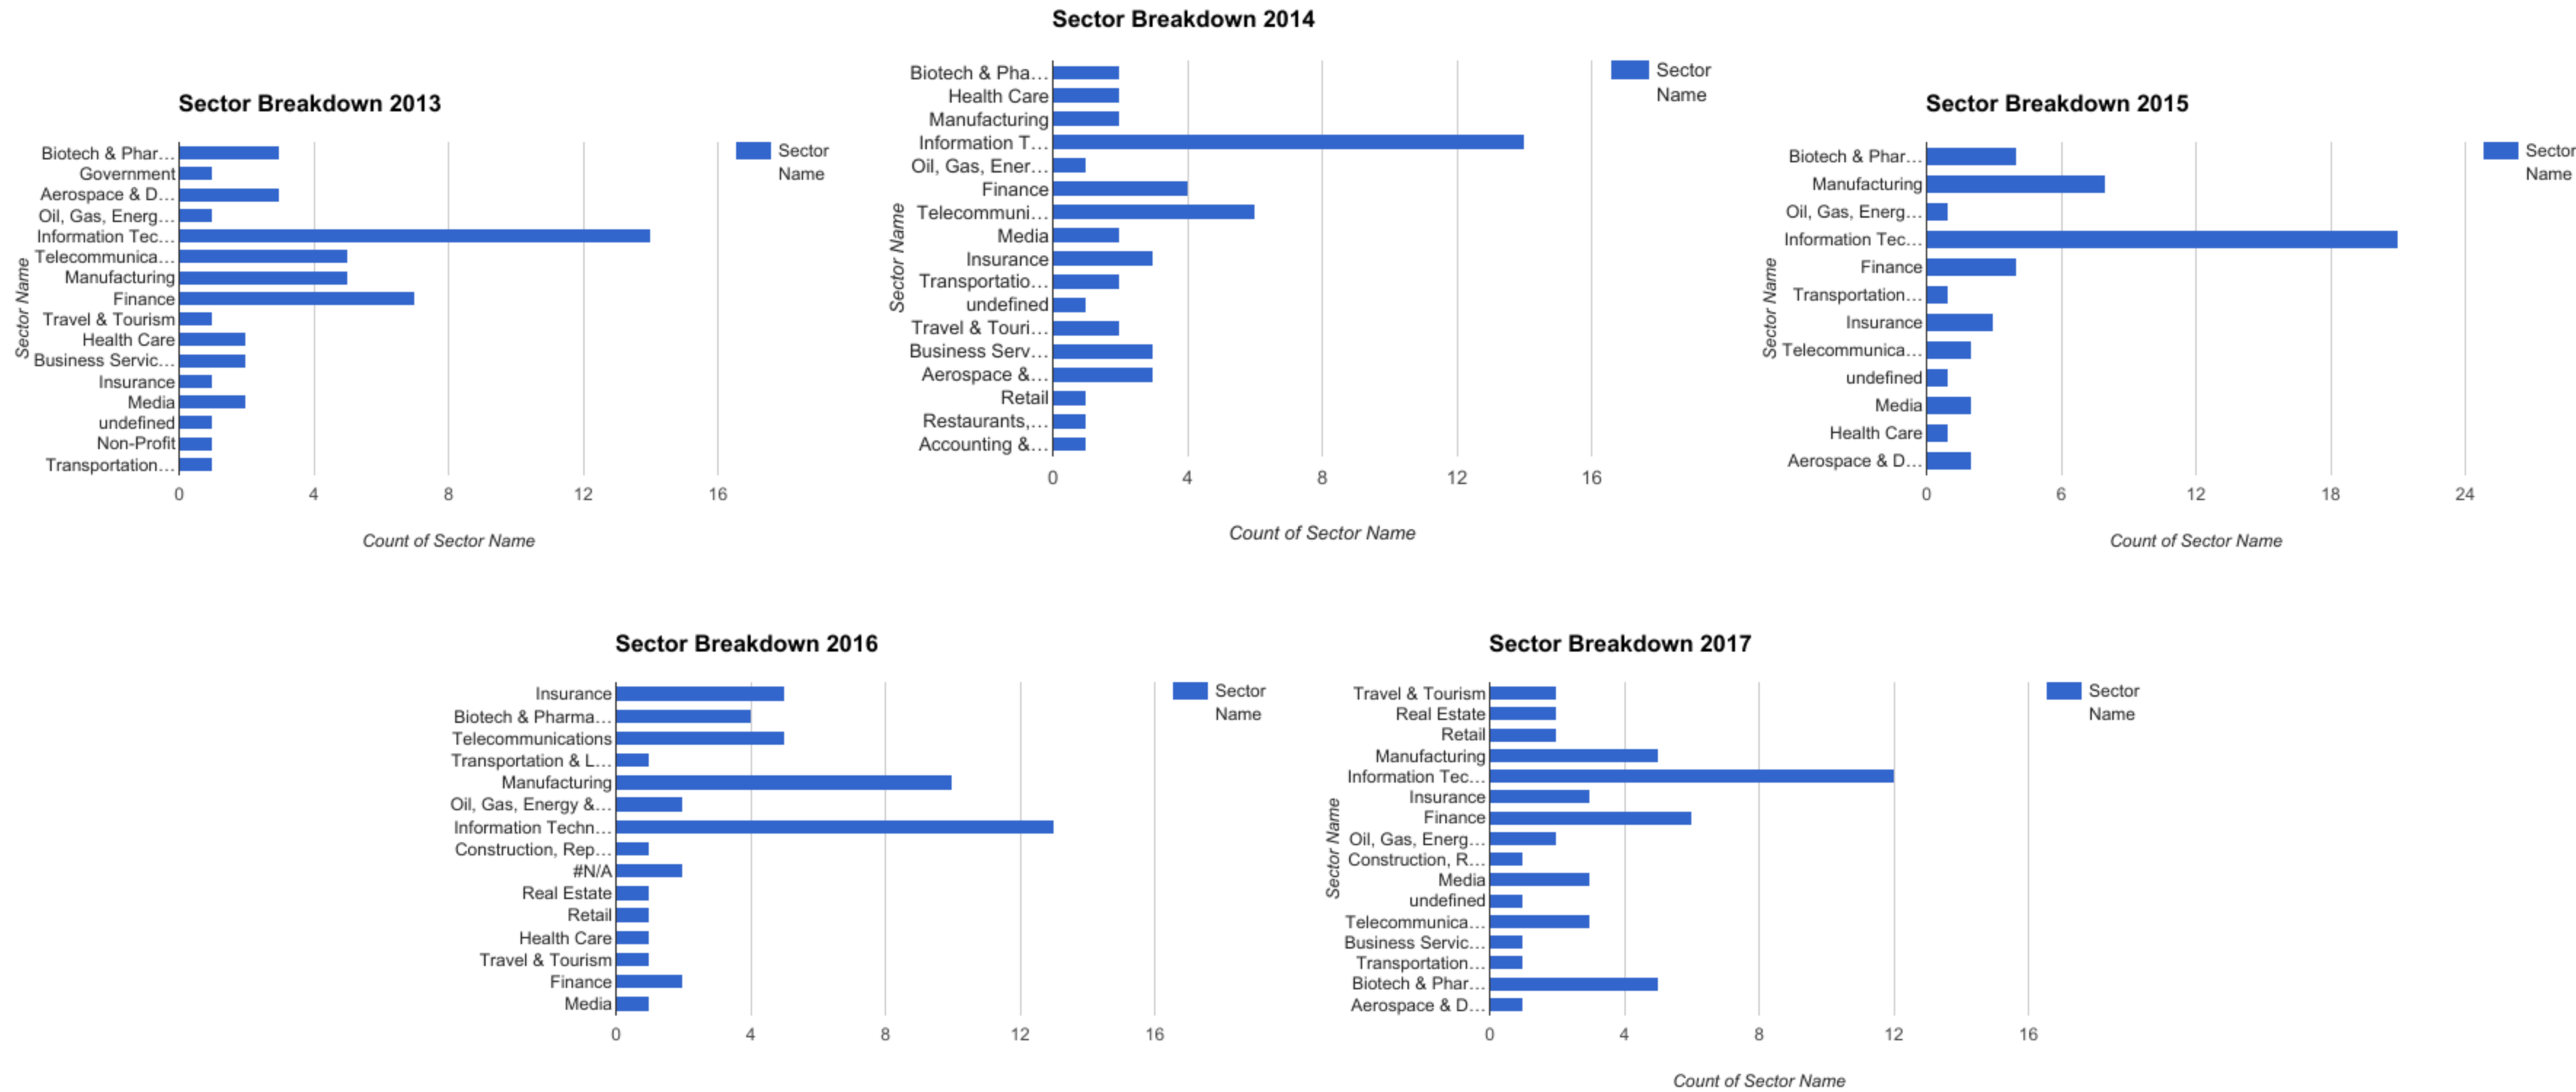

About the Project

Motivation: I want to understand what makes a “happy” company

Objectives: 1. Make it easy for people looking for jobs to look at multiple factors that might make a company a better place to work. 2. Make it easy for companies to see factors that might make them a better company.

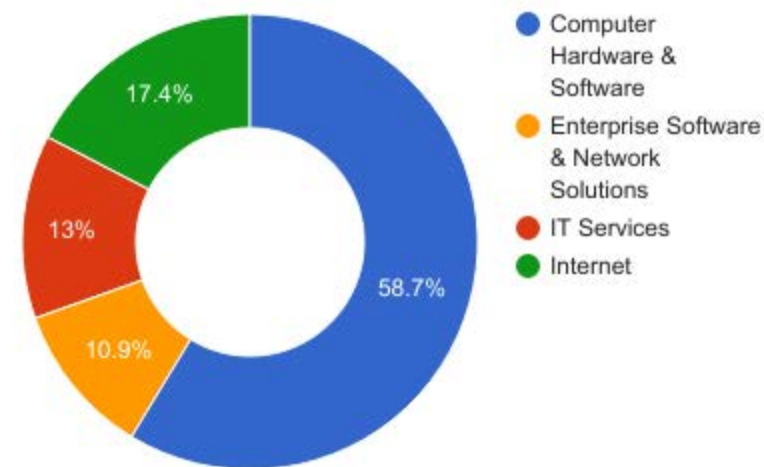

Data: Glass Door Company Data, CareerBliss Scores, Global RepTrak Scores
